Newsletter

2026, Volume 273: Week ending July 10th.
This week's update of what's happening around the building.

Double Vision

Dueling trucks

No, this wasn't a particularly heavy trash day that required 2 trucks. This double-take happens every day, maybe just not at the same time.

One of the trucks hauls away all the trash our building produces. And when you've got a 1,000 people living in one place, that's bound to be a lot. So every day, Waste Management pulls up to the dock and clears the trash out of the Dumpster Corral. But there's more to it than that.

Also every day, they come to collect the building's recycling. And that requires a different truck.

But it sure was a bonus to catch them at the same time so we know things are being dealt with properly. Because, clearly, it's impossible to tell the 2 trucks apart from this angle.

Curb Appeal

Scaffolding aftermath

Now that the façade work is complete and the scaffolding has been removed, it was time for a bit of deep dive into the nooks and crannies around the front door. So with a wave of his industrial-strength Swiffer, Romiro got the job done.

Spritz

And once he was done wrangling the dust and cobwebs with his magic wand, he took a power hose and washed away months of the fine concrete residue left behind by the façade guys.

It didn't take long before he had our front door sparkling again. Even our landscaping looks happy to have that dreary metal structure gone. Light has returned. And it's probably safe to say, it's not just the plants that are happier...

Welcome home!

Helpful Reminders

No Pet Reminder

Pursuant to the Association's Governing Documents, 2800 is a no-pet building. Please remember this means no pets are allowed on our property or in the units. Guests of residents should be advised that pets are not allowed. We appreciate your cooperation. Violators may be subject to a fine.

2800 is a No Smoking Building

In July 2021, the owners of 2800 voted to make 2800 a **non-smoking** building. Please remember this means no one is allowed to smoke on our property or in your unit. We appreciate your cooperation. Violators may be subject to a fine.

Noise

Please be reminded that loud intrusive sounds that disturb neighbors in other units are not allowed at any time (weekday 9-5 construction excluded), and that percussive noises—hard surfaces knocking, bumping, scraping on other hard surfaces—travel very far in the building. Please remember to close doors softly, place cushions on the legs of tables, and place rugs, etc., on bare floors to avoid echoing in surrounding units. **If you are experiencing a noise issue, please call the front desk to report it while it is happening. This is an important part of our resolution process.**

In-unit Construction Deliveries

Monday – Friday: 9AM-1PM or 1PM-5PM. Construction deliveries are not allowed on weekdays after 5PM or anytime on the weekends. A reservation is necessary if more than 2 trips are required during a single day. If a reservation is required, there will be a \$150 charge.

As a friendly reminder, please make sure the Association has the proper permission to enter list for cleaning personnel, guests, family, etc. during this busy time of year so there are no issues with access. Your list can be accessed via BuildingLink using the Front Desk Instruction tab. Permissions can be added or deleted directly by you or can be given to the Office via call, email or in person.

Service Elevator

Move- In/ Move- Out: Monday – Friday: 9AM-1PM or 1PM-5PM. Moves will not be permitted on Saturdays and Sundays. The Move In fee and Move Out fee are \$300 each.

Deliveries: Monday – Friday: 8AM-5PM and Saturdays: 8AM-1PM.

Food and Grocery Deliveries

Please be reminded that residents need to pick up their deliveries in the lobby or have the vendor bring the delivery to your unit. Association employees, security personnel, and front desk staff are not to bring any deliveries to an individual unit under any circumstances.

Television / Internet Outages

In the event you are experiencing an interruption of either television or internet service, please take the following actions:

- Report the outage to RCN at 800-427- 8686 and report the outage to the Office at (773) 528-8660 or info@2800lsd.com.

This will enable us to monitor the outage and escalate the service request if the outage impacts multiple units. If an outage occurs when the Office is closed, please report the outage to the Front Desk at (773) 929-2800.

So You're In The Know

In-Unit Construction

Here are a few guidelines if you are planning to remodel:

- Contact the Office to get a remodeling packet.
- Once documents are submitted, the building's Chief Engineer & Management will review and approve.
- Pre-approved, in-unit construction may be performed on weekdays between 9:00 AM-5:00 PM.
- Work is prohibited on weekends and holidays.

These units have received Board approval for construction:

616	814
904	1316
1610-1612	1914
2305	2813
2908	3916
4117	

Whenever there is construction, it is the responsibility of the unit owner to notify neighbors 6 floors above and below on both sides and across the hall. The communication should contain the unit number, plus the start and end date of the construction.

Unit Sales Prices in 2025

Good news! There's been a bit of an increase in sale prices in the building. All this new construction is paying off when it comes to resale!
