Newsletter

2026, Volume 274: Week ending July 17th.
This week's update of what's happening around the building.

Storage Locker Safety Check

Better safe, than sorry

Now that all the crazy pipe work zigzagging through the storage rooms has been completed, it's time to make sure all the lockers are in good shape and safe. We certainly don't want to be storing anything that can go boom in the night.

In early September, a month prior to our annual *Fall Cleaning, Recycling and Shredding Event*, October 5-11, the guys from the office will go through each of the rooms and review every locker. If you need to amend something, you will be notified. This will give you time to reorganize and remove stuff and, if necessary, include its disposal in the *Fall Cleaning, Recycling and Shredding Event* in October.

So, just after Labor Day, each locker will be evaluated to determine if it's being used according to 2800 Guidelines, properly numbered and locked. Here are a few helpful things to consider:

Guidelines

- Flammable or hazardous materials are strictly prohibited in storage lockers. This includes, but is not limited to, paint, stain, gasoline, propane, and other combustible liquids.
- Lockers identified for cleanout will be tagged and you will be notified. You will have four (4) weeks from the date of tagging to claim and remove your belongings. Any items remaining after the deadline will be discarded.
- No items may be stored outside of the lockers. Any belongings left in the aisles or outside a designated locker will be removed and discarded.

Locker Assignments

- Residents are permitted one storage locker per unit, unless they own multiple units or are renting an additional locker from another resident.
- All storage lockers are assigned by the Association and may be reassigned if necessary.
- Many lockers are currently missing numbers or are incorrectly numbered. These lockers will be renumbered during the audit.
- Lockers designated for building ladder storage or pipe access are not for resident use and must remain clear at all times.
- Empty lockers will be tagged and secured by the management office.

If before, during or after the Safety Check in September you have any question, please talk to the office. They'd be glad to help you.

Façade Leak Test

Drip, drip, drip

Wednesday, on the hottest day of the summer to date, the façade guys had to breakout a stage again and shimmy down the southwest side of the building. During one of the last torrential rain storms, it proved that 3 leaks were not completely fixed. So up they went to determine exactly where the water was slipping in and then secured the seal. And if you experience a window leak in your unit, alert the office. Fixing these is a normal part of what our window washers do 4 times a year. Fixing a leak doesn't have to happen during a Façade Project.

2800 Elevator Project Update

Car #1 – Start Date 4/15/26 – Completion 8/21/26

Week: 7/17/26

ITEMS IN RED ARE COMPLETE

1. Clean entire hoistway and remove all electrical covers
2. Secure elevator and disassemble existing machine
3. Remove existing machine from site and hoist new machine to penthouse
4. Install new bedplate, machine and controller
5. Pipe and wire new machine and controller and start up on temp operation
6. Install new hoist cables
7. Demo existing hoistway equipment, install new roller guides and cartop handrails
8. Install new hoistway door components
9. Install new hoistway door components (continued)
10. Install new hoistway door components (continued)
11. Install new electrical duct from top to bottom of hoistway
12. Remove existing hoistway wiring, pull new hoistway wiring
13. Pull new hoistway wiring (continued), hang new traveling cable
14. Demo existing cartop equipment and cab interior and install new
15. Install new COPs, pipe and wire cartop, Install new car door components and operator
16. Install new selector, car toe guard and miscellaneous components
17. Make final hoistway wiring connections, install hall fixtures and wire controller
18. Final adjusting and City Inspection

What's New

Summer Party

Don't forget—our Summer Party is almost here! If you plan to attend, please RSVP by emailing 2800socialcommission@gmail.com no later than July 29. The party will be held on Thursday, August 6, from 5:30 PM to 8:30 PM, in the Party Room. We hope to see you there for a fun evening with your neighbors!

Window Washing

Please be on the lookout for our window washers, as they are scheduled to begin during the first week of August. We will provide an update with the exact dates and times.

Helpful Reminders

No Pet Reminder

Pursuant to the Association's Governing Documents, 2800 is a no-pet building. Please remember this means no pets are allowed on our property or in the units. Guests of residents should be advised that pets are not allowed. We appreciate your cooperation. Violators may be subject to a fine.

2800 is a No Smoking Building

In July 2021, the owners of 2800 voted to make 2800 a **non-smoking** building. Please remember this means no one is allowed to smoke on our property or in your unit. We appreciate your cooperation. Violators may be subject to a fine.

Noise

Please be reminded that loud intrusive sounds that disturb neighbors in other units are not allowed at any time (weekday 9-5 construction excluded), and that percussive noises—hard surfaces knocking, bumping, scraping on other hard surfaces—travel very far in the building. Please remember to close doors softly, place cushions on the legs of tables, and place rugs, etc., on bare floors to avoid echoing in surrounding units. **If you are experiencing a noise issue, please call the front desk to report it while it is happening. This is an important part of our resolution process.**

In-unit Construction Deliveries

Monday – Friday: 9AM-1PM or 1PM-5PM. Construction deliveries are not allowed on weekdays after 5PM or anytime on the weekends. A reservation is necessary if more than 2 trips are required during a single day. If a reservation is required, there will be a \$150 charge.

As a friendly reminder, please make sure the Association has the proper permission to enter list for cleaning personnel, guests, family, etc. during this busy time of year so there are no issues with access. Your list can be

accessed via BuildingLink using the Front Desk Instruction tab. Permissions can be added or deleted directly by you or can be given to the Office via call, email or in person.

Service Elevator

Move- In/ Move- Out: Monday – Friday: 9AM-1PM or 1PM-5PM. Moves will not be permitted on Saturdays and Sundays. The Move In fee and Move Out fee are \$300 each.

Deliveries: Monday – Friday: 8AM-5PM and Saturdays: 8AM-1PM.

Food and Grocery Deliveries

Please be reminded that residents need to pick up their deliveries in the lobby or have the vendor bring the delivery to your unit. Association employees, security personnel, and front desk staff are not to bring any deliveries to an individual unit under any circumstances.

Television / Internet Outages

In the event you are experiencing an interruption of either television or internet service, please take the following actions:

- Report the outage to RCN at 800-427- 8686 and report the outage to the Office at (773) 528-8660 or info@2800lsd.com.

This will enable us to monitor the outage and escalate the service request if the outage impacts multiple units. If an outage occurs when the Office is closed, please report the outage to the Front Desk at (773) 929-2800.

So You're In The Know

In-Unit Construction

Here are a few guidelines if you are planning to remodel:

- Contact the Office to get a remodeling packet.
- Once documents are submitted, the building's Chief Engineer & Management will review and approve.
- Pre-approved, in-unit construction may be performed on weekdays between 9:00 AM-5:00 PM.
- Work is prohibited on weekends and holidays.

These units have received Board approval for construction:

616	814
904	1316
1610-1612	1914
2305	2813
2908	3916
4117	

Whenever there is construction, it is the responsibility of the unit owner to notify neighbors 6 floors above and below on both sides and across the hall. The communication should contain the unit number, plus the start and end date of the construction.

Unit Sales Prices in 2025

Good news! There's been a bit of an increase in sale prices in the building. All this new construction is paying off when it comes to resale!

CLOSED				
Unit	Bed	Bath	Price	Closed Date
613	1	1	\$185,000	7/28/2025
709	1	1	\$193,450	4/28/2025
