2026, Volume 284: Week ending September 25th.
This week's update of what's happening around the building.

Receiving Paint

Final touch

Now that the new, tile floor has been installed in the Receiving Room and the new shelving configuration has been put into place, it was time to finish the makeover.

Floor to ceiling

The entire room, including the ceiling, was painted fresh white. That's probably not the actual name of the paint color, but that's the actual look and feel of the new coat.

Chaos cancelled

The work has paid off. The room no longer looks like a dungeon where there's been an explosion of cardboard boxes. It's clean and organized. Much easier to maneuver when Fed Ex or UPS arrives with hundreds of boxes. The staff is able to get notifications to you much more quickly. And that means you get your new shoes faster.

Cleaning cleaning

The dry cleaning area has also been rejuvenated with a new desk and consolidated rails for the dry cleaning. It's all way more efficient. After decades of the same-old, same-old, it's really nice to deal with a room that's fit for purpose.

Fall Clean-Up Begins October 5th!

Monday, October 5th – Sunday, October 11th, 10:00 am-5:00 pm.

It's that time of the year again, Fall Clean-Up!

As in the past, the building will be providing a large dumpster in the dock area so you can dispose of unwanted stuff from your home. You'll even be able to throw away furniture and other large items, as-long-as they do not stick out above the top of the dumpster. But fear not, we will switch out the dumpsters as necessary. There is a street-level door on the dumpster which will be open during the day for easier access. How cool is that! Plus, we'll also have a dedicated area in the Dumpsters Corral at the back of the dock for paint can recycling.

Please, the dumpster should not be used for construction debris. Also, please use the freight elevators between 10am – 5pm, Monday through Sunday that week only, to bring down the stuff you're getting rid of. And as always, the passenger elevators should not be used to haul anything.

Shredding Truck at the Dock

Saturday, October 10th, 8:30 am – 11:30 am

Additionally, on Saturday, October 10th, from 8:30 am to 11:30 am, there will be a Paper Tiger truck in the dock area for paper shredding and electronics recycling. This day and these hours will be the only time these items can be discarded. The paper shredding will actually happen right on site, in the truck. Paper Tiger is AAA Certified by the National Association for Information Destruction and can provide a certificate of document destruction for FACTA, HIPAA, Gramm Leach Bliley or Sarbanes-Oxley, if requested. The electronics will be taken away for proper recycling off-site.

Please see the attached list of what can/cannot be disposed of.

And please understand the building staff will not be available to help residents move items.

Happy Fall Clean-Up!

Last Jump In The Pool!

Cannonball Run

With fall nipping at our heels, sadly, it's time to close the pool for the season.

But just before that, we caught Gracyn diligently practicing her traditional "last jump in the pool." She wanted to get it absolutely perfect for when she does it for real on Sunday, September 27th, for the official 2026 pool closing.

Something tells me we could probably coax her to do this again for the pool opening next summer.

Until then...

Helpful Reminders

No Pet Reminder

Pursuant to the Association's Governing Documents, 2800 is a no-pet building. Please remember this means no pets are allowed on our property or in the units. Guests of residents should be advised that pets are not allowed. We appreciate your cooperation. Violators may be subject to a fine.

2800 is a No Smoking Building

In July 2021, the owners of 2800 voted to make 2800 a **non-smoking** building. Please remember this means no one is allowed to smoke on our property or in your unit. We appreciate your cooperation. Violators may be subject to a fine.

Noise

Please be reminded that loud intrusive sounds that disturb neighbors in other units are not allowed at any time (weekday 9-5 construction excluded), and that percussive noises—hard surfaces knocking, bumping, scraping on other hard surfaces—travel very far in the building. Please remember to close doors softly, place cushions on the legs of tables, and place rugs, etc., on bare floors to avoid echoing in surrounding units. **If you are experiencing a noise issue, please call the front desk to report it while it is happening. This is an important part of our resolution process.**

In-unit Construction Deliveries

Monday – Friday: 9AM-1PM or 1PM-5PM. Construction deliveries are not allowed on weekdays after 5PM or anytime on the weekends. A reservation is necessary if more than 2 trips are required during a single day. If a reservation is required, there will be a \$150 charge.

As a friendly reminder, please make sure the Association has the proper permission to enter list for cleaning personnel, guests, family, etc. during this busy time of year so there are no issues with access. Your list can be accessed via BuildingLink using the Front Desk Instruction tab. Permissions can be added or deleted directly by you or can be given to the Office via call, email or in person.

Service Elevator

Move- In/ Move- Out: Monday – Friday: 9AM-1PM or 1PM-5PM. Moves will not be permitted on Saturdays and Sundays. The Move In fee and Move Out fee are \$300 each.

Deliveries: Monday – Friday: 8AM-5PM and Saturdays: 8AM-1PM.

Food and Grocery Deliveries

Please be reminded that residents need to pick up their deliveries in the lobby or have the vendor bring the delivery to your unit. Association employees, security personnel, and front desk staff are not to bring any deliveries to an individual unit under any circumstances.

Television / Internet Outages

In the event you are experiencing an interruption of either television or internet service, please take the following actions:

- Report the outage to RCN at 800-427- 8686 and report the outage to the Office at (773) 528-8660 or info@2800lsd.com.

This will enable us to monitor the outage and escalate the service request if the outage impacts multiple units. If an outage occurs when the Office is closed, please report the outage to the Front Desk at (773) 929-2800.
